

**Catholic Charities of Cortland County**  
**OMH Lawrence House Community Residence and Supportive Apartments Referral**

The Lawrence House is a 24-hour supervised community residence located close to downtown Cortland. Licensed by the NYS Office of Mental Health, the program serves adults 18 years and older as they transition toward independent community living from higher levels of care, such as hospitals or other inpatient settings. In addition, Lawrence House is known for having expertise in working with individuals who suffer from co-occurring mental health and substance use concerns.

The Supportive Apartment Program offers limited supervision living in scattered-site apartments. It is a step toward independent living for those who are transitioning out of a higher level of care. Clients are expected to make positive efforts in treatment, must be capable of self-administering medications, maintaining their apartment, abide by landlord and agency rules, and attend all necessary appointments. Participants agree to meet regularly with the Residential Counselor to develop meaningful and realistic goals that advance recovery and lead to independent living.
